THE PARTICIPANT

Sir/Madam:

Greetings of peace!

The Bicol University College of Science (BUCS) - Computer Science and Information Technology (CSIT) Department will be spearheading this year's INSTALL v 2.0: Symposium on Technology Advancement Through Live Learning with the theme "**Installing the Road to a Modern World**".

This activity will gather computer enthusiasts that will highlight various fields on computer related topics and will also be participated by different sectors especially the youth sector of Bicol Region. Happening on the 27th to 28th day of August, 2015, at La Piazza Convention Center, this will serve as an avenue to take part in recognition on the role of Computer Science and Information Technology rapid breakthroughs in this fast-paced world.

In relation to this, **we are inviting you to attend the said event.** For queries, feel free to contact the organizers at 09476005563 or email us at installv2.0@gmail.com and you may visit our official website, installv2.neocities.org. Approval of this request will surely help contribute to the success of the event. Attached is the event profile of the activity.

We truly hope that you will consider our request and we look forward to your favorable response on this request. Thank you very much and God bless.

Respectfully yours,

ROMMEL EVAN J. PAJE
